Community Addiction and Mental Health
Services of Haldimand and Norfolk

Specialized Geriatric Services Program

The Specialized Geriatric Services (SGS) Program provides non-emergency clinical assessment, consultation, treatment and education to older adults, their families and service providers who are, or know of someone who is, experiencing mental health issues combined with age-related difficulties.

The clinical team is comprised of registered nurses (RNs), social workers (SWs), integrated geriatric service workers (IGSWs), geriatricians and psychiatrists specializing in geriatrics.

SERVICES INCLUDE:

- Assessment of mental status
- Medication review
- Supportive counselling
- Recommendations for treatment options
- Education and follow-up for clients, family members and caregivers
- Intensive support to link individuals with community services/resources
- Advocacy with other community support services and family members
- Home visits available

1-877-909-4357
